

faceAXS<sup>LT</sup>

### TIME & ATTENDANCE Facial Recognition Terminal

FACEAXS LT is industry first embedded facial recognition system for T&A with leading "Dual Sensor" Facial Recognition Algorithm, which makes facial recognition faster and accurate, different source-light within Infrared-light based technology enable the system works well under different environment.

#### MAIN ADVANTAGES

- "Dual Sensor" Core Technology Algorithm for fast processing and matching speed:
  - ▶ Fast identification: 1 second 1:N for 300 users
  - ▶ Large capacity: 100,000 records / 300 users
  - ▶ FAR < 0.001% / FRR < 1% / FTE < 0.0001%
- Reliable performance under different environment even in the dark
- Stability of hardware
- faceAXS has got Patent for Inclined Image Capture Device and Facial Recognition System
- Contactless enrollment and verification makes the hygienic user experience
- No extra cost to pay for badge or paper card
- Incident trackable: facial technology can capture picture for tracking after identification

## SPECIFICATIONS

PROCESSOR	Digital high speed processor
USERS CAPACITY	300 Usuarios (rostro) en comparación 1:N
RECORDS CAPACITY	100,000 Records
RECOGNITION ALGORITHM	Sensor Dual™ V3.0
SENSOR	Specialized dual sensor
AUTHENTICATION METHOD	Face, ID + Face, ID + PIN
AUTHENTICATION SPEED	Less than 1 second (300 Users) on 1:N matching
KEYBOARD	4*4 Touch keypad
LCD	3.5 inch TFT color screen 65,000 Bright colors 320*240 Resolution
COMMUNICATION METHOD	Standard TCP/IP USB Host (for uploading/downloading info via USB Flash Driver)
LANGUAGE	Spanish / English
POWER	12 VDC
WORKING DISTANCE	30 – 80 cm
OPERATING TEMPERATURE	0 a 40°C
OPERATING HUMIDITY	20 – 80%
SIZE (W X H X D)	230 x 105 x 130 mm
WEIGHT	570 g
CERTIFICATION	CE, FCC Class A, RoHS

## ABOUT EASYWAY BIOMETRICS

EasyWay Biometrics is the new brand of innovative fingerprint solutions for Time & Attendance and Access Control needs. Every EasyWay terminal has been designed with international quality standards, combining fashionable design with outstanding performance.

EasyWay uses the latest technology to create products that provide a functional solution for customers who need low cost T&A and Access Control solutions.
